Goshen Township Meeting Minutes

October 14th, 2026

Members Present: Vice- Chairman James Sankey, John Taylor, Chairman- David Taylor, Wanda Rougeux
Public Attendees: Terry and Barbara Shank

Public Comment: Requesting a waiver from the Supervisors for allowing their recreational vehicle to remain in its current location for the winter, which will be past the 29 days. They are in the process of trying to get some sort of home on the property by spring as a permanent location. The Supervisors voted , Motion made by Dave, 2nd by Jim, all in favor of allowing this since they know the actual plans. Wanda will have a letter certification done and emailed to the Shanks.

Secretary's Report: Read by Wanda Rougeux motion was made by John, seconded by Jim to accept the minutes of meeting. All in favor.

Treasurer's Report: Reviewed and motion was made by John, seconded by Dave to accept the treasurer's report and all bills signed and paid. All in favor.

Old Business:
Social Hall still needs to have the floors painted.

Roadwork on Jerry Run has been completed. Grant still needs closed out. This will take place next Wednesday.

Roadwork on Township Roads, it was stated that pot holes needed filled in with cold patch at top of Hansey Road, a lot of ditch work needs done according to Supervisors.

The Fire Hall Door has been fixed and awaiting an invoice.

Lanager's Landscaping, finished the Grant project still awaiting invoice and still need to do closeout for this grant.

ATV Ordinance, has continuously been discussed for years. Wanda states that she has not had a lot of time to devote to this yet but will try to get some input from other townships that have put ordinances into effect regarding this. She will also contact PSP and DCNR, as was discussed at a previous meeting by a resident. She will get more information as well.

The Township had a dumpster from PRO Disposal from 10/5-10/12, we didn't have the best response to it but some residents and the township itself took advantage of the opportunity to clean up some debris, furniture, garbage, etc. Wanda said that maybe if you continue to do it more people will know about it.

Wanda states the shed permit that was outstanding has been paid.

Wanda states that a lot of shed permits have been issued by the township.

New Business:

Funding Opportunities, the LSA Grant opened on 9/1/2026 and will close on November 30, 2026.The Multimodal Grant Opened on 9/1/2026 and closes on 10/30/2026. Dirt & Gravel Opens on 9/1/2026 and closes on 11/30/2026. Wanda asked if the Supervisors had any thoughts on equipment to purchase or what they wanted to apply for, she states she needs answers tonight. It was discussed and Dave will put in for Dirt & Gravel for tar & chip 1500' of Jerry Run Road from where they left off at this year. Trout Run Road and Brown's Hollow Road was discussed with Hannah and we are awaiting their response. We will not do the Multimodal since we put one in July. We will put in for small grader again, we will put in for a new truck (Dave will get figures on that). They discussed putting in a grant for a dirt roller and for a skid steer, possibly but was not conclusive about that yet.

iWorQ was discussed as to helping with permits and Code Enforcement. They tabled this discussion for Wanda to get numbers on how many permits we do in a year. Wanda will gather that information. Dave and Wanda sat through the

discussion and it seemed like a good program. It would cost $1,500.00-$2,000.00 for the program. This was tabled until more data arrives at next month's meeting.

We discussed Budget Outlooks for 2027. Wanda will be bringing the Budget to look over and discuss further at next month's meeting. We have already projected $36,000.00 will be used for the Multimodal Grant for Croft Road and McGeorge Road, if we get it. Approximately, $30,000.00 to tar and chip additional roads in the township.

Wanda had a vacation request from October 30th, 2026 –November 3rd, 2026. All in favor to grant vacation time to Wanda.

Fall Festival will be happening this weekend on Saturday, October 17th, 2026. The hall is already set up and plan on hayride, Dave requested Jim drive the tractor.

Educational Opportunities was discussed. Wanda will be attending DCED Grant Workshops on 10/26/2026 and she will be attending Grant Workshop on 11/5/2026. All other classes nobody cared to attend.

Wanda states a State Audit was performed for 2025 for the Township by the State Auditor and no deficiency. Wanda also contacted our Township Auditors and let them know that the 2025 audit needed done by 12/31/2026.

Roadway Report:
Fuel Usage for the month of September 131 gallons.
Load counts: PPG 15 on Knobs Road, ANO 3 loads, Earthmovers 6 loads.
GOHawbaker, Inc. 394 loads, A&M Logging no report
Wanda states no Road Bonds issued this month.

Social Hall Rentals: Sportman's Meeting 2nd Monday of the Month
100 mile Yard Sale- All tables requested and most are paid for

Permits Issued: We had 11 Elk Permits issued this month. We had a Shed Permit and 1 MVCOG permit for Solar Mounts on the Roof.

We had 2 land transfers this month in our township.

PA One Calls: 8

Complaints:

1. A Goshen Township resident complained about the taxes in our township. They currently are 2.25 mils and have not been increased in many years. Wanda did show the resident the tax table and that we are one of the cheapest in the county.
2. Resident called in complained about the bus turn around spot needing stone. One was provided so the bus did not have any issues.
3. Resident complained about Goshen Road. She wanted a sign displayed for Children at Play. Advised that it is a STATE road and that she needed to contact them and she did. I sent over a request to the STATE per advice of the Supervisors to have one placed there.

Correspondence

-CVB Media reports that we had 140 new viewers to our website.
-Information regarding change of tracked permits.
-DOT Bridge Inspection Letter about Goshen Rd Bridge SR 1006.
-Resident provided us information regarding our September storm that Clearfield County ranked 1st for the most total power outages and 2nd for most customers affected among all 67 counties in PA. The leading supplier with most outages was Unilec.

Adjournment: A motion to adjourn the meeting was made by John at 9:20 pm, seconded by Jim with all in favor

Next Meeting: November 11th @ 7:00pm
