July 9th, 2025

Members Present: Chairman James Sankey, John Taylor, David Taylor, Wanda Rougeux

Public Attendees: None

Public Comment: None

Review of Minutes from June Meeting: Jim motioned to approve 2nd by Dave all in favor minutes approved

Secretary Report: Read by Wanda John motioned to approve 2nd Dave all in favor to approve

Treasurer Report: Reviewed. John motioned to approve 2nd Jim all in favor to approve

Bill List: Reviewed. John motioned to approve 2nd Jim all in favor

Old Business:

Fuel Report: 253 gallons used this month

Furnace: Plan on putting furnace in Social Hall at the end of this month, Bloom's will honor the price from January

Hot Water Issue: Ongoing issue with the smell of sulfur. It was decided to go the most feasible route and use a carbon filter. They will price that at Lowe's

Solar Ordinance: Rough draft was reviewed and Wanda will contact Bill Shaw about an addendum to be added regarding fencing and/or vegetative screening to surround neighbor's property.

Palco Power Systems: Regarding extended warranty of the new generator, Wanda will get clarification and discuss with supervisors prior to next meeting.

Painting Social Hall: The guys will paint the walls and check on getting garage floor paint to do the floors. They will check at Lowe's regarding this.

Banking: All things have been converted from Lisa Shirey to Wanda Rougeux. Will be researching the Water Authority CD at possibly CNB

New Business:

CD Renewal: Reviewed and will check into the Water Authority CD that nobody seems to know about. CD renewed, on 6-11-2025. The next one is due on 12-11-2025.

Painting: Outside picnic tables and pavilion timbers have been stained.

PSAT's Regional Forum: Approved Wanda to go to the PSATs Forum in State College, PA on 9/24/2025 which costs 125.00

Flagger Force: It was decided to not use Flagger Force because it is not feasible for our township the quote was 1333.44 for 3 flaggers to use on Knobs Road. It was decided that they may borrow some workers from other townships if needed.

Proposal from Jefferson Paving: This job has already been done and paid for since the last meeting.

DEP: Notification and Form mailed by Wanda on 6/12/2025 regarding request to check storm water drainage from Mine Reclamation Project.

Dallas Kephart: Met with him regarding helping us get a LSA Grant approved, the guys are deciding on a possible purchase of a new grader. Also, met with him about the ATV ordinance currently going through the senate and House of Representatives. Wanda will find out more from his office.

Insurance Claim: Boyle's Insurance handling the claim. Advised to be more cautious and safe.

Roadway Report: 14 total from PPG and reviewed what roads. Wanda will check to see if any other roads are bonded besides PPG.

Permits Issued: None to Report

Social Hall Rentals: The 100 mile Yard Sale next week. The guys will paint lines in parking lot

Reviewed upcoming events on the calendar.

Correspondence:

Zoning Inquiry- Caller from PACES called regarding optimal parcels of land to build solar farms.

Letter- from Moody and Associates, letting us know that Whitetail Well Pad at 1237 has attained compliance with state wide cleanup standards.

Call from resident inquiring about SMART PARK on Walker Property. Wanda will contact Dallas Kephart to see if any new developments regarding this information.

Voter Registration Letter- regarding any empty vacancies in the township. There is an empty auditor position available.

Right to Know Request from Boca Raton, Florida was electronically sent to them by Wanda.

Roads Complaints-Potholes on Hainsey Road- Jim fixed last week

Knobs Road from PPG- Currently working on it

Plain Management Guide Book- Issued in June was reviewed

MVCOG- sent out survey regarding health insurance for employees. They are thinking about going together to get insurance as a whole.

Email from Thomas Larson- regarding wanting to know if we have ATV ordinance yet, the guys kind of want to know if that bill is going to pass in Harrisburg first before they adopt one. Wanda will try to come up with a rough draft.

LTAP Training Class: Nobody seemed interested in attending in October.

Reviewed CVB Media Report: We had 37 site sessions, 33 new viewers for June

Webinar Training for QuikBooks- Wanda interested on July 24th from 12:00-1:30pm the cost 30.00 and was approved to attend July 24, 2025 this is for Year End.

PA calls: 3

Meeting Adjourned at 8:30pm

Adjournment Motion by Jim Sankey 2nd by John Taylor
